

Refund Policy — Brush & Bloom

Last updated: July 22, 2026

Thank you for shopping with Brush & Bloom! Because most of our items are handmade and made to order, our refund policy works a little differently than a typical retail store. Please read below before placing your order.

Custom Banners

- Custom banners are made specifically for you based on the details and mockup you approve, so **all sales are final once production begins**.
- We are not able to offer refunds or exchanges for change-of-mind, sizing preferences discovered after the fact, or color differences that fall within normal handmade/monitor-display variation (see our Terms of Service for more on this).
- If you need to cancel or change your order, please contact us **before production starts**. We'll do our best to accommodate you, but cannot guarantee changes once painting is underway.
- **Errors we made** (e.g., misspelled a word that was spelled correctly in your approved order details): contact us within 7 days of delivery with photos, and we will repaint/replace the affected portion or banner at no charge.
- **Errors in your approved mockup or order details** (e.g., a typo you submitted or approved): these are not eligible for a free remake, but we're happy to discuss options such as a paid revision.

Ready-to-Ship Banners

- These are pre-made and not customized. If your item is damaged or defective on arrival, contact us within 7 days of delivery with photos for a replacement or refund.
- Change-of-mind returns are not accepted for hygiene/handmade-goods reasons, but reach out if there's an issue — we're happy to talk it through.

Digital Downloads

- Digital products (templates, printables, the small business tracker, etc.) are delivered electronically and **are non-refundable once downloaded**, since the file cannot be "returned."
- If you experience a technical issue accessing or opening your file, contact us and we'll help sort it out.

Shipping Damage

- If your order arrives visibly damaged in transit, please keep all packaging and contact us within 7 days of delivery with photos. See our Shipping Policy for how we handle carrier-related claims.

How to Request a Refund or Remake
